Beds: 4 Baths: 4 Lot Area: 2,589 m² Floor Area: 210.48 m²

We are selling beautiful two houses with a white sand beach in Himensulan. Elegant – minimalist design, yet the breeze from outside makes the space pleasant. The main house has a 161.08 m² floor area facing the sea. It has two air-conditioned bedrooms and two spacious bathrooms.

The fully equipped kitchen; has two refrigerators, four-burner gas stoves with an oven, one microwave, and other small home appliances. This house has a big sea view terrace and a sitting area near the cliff.

The small house has a 49.4 m² floor area. It also has two air-conditioned rooms with separate entrances, and each has a big private bathroom. Both rooms have a terrace and sitting areas with a garden view.

These beautiful houses have a TV with satellite channels, DVD players, and sound systems. All areas of the property have an internet connection.

The beautiful beach is together with the property; it has access through the concrete stairs down. A cottage is perfect for a picnic with family and friends or to relax and lounge chairs on the beach.
