GREAT BUSINESS AND INVESTMENT OPPORTUNITY ON CAMOTES ISLAND

IMPORTANT: DETAILED SWOT ANALYSIS

We have done a detailed SWOT analysis of the potential investment in Aladin White Beach Resort.

This includes an evaluation of the expected income and profit from selling apartments in the resort, an estimate of the annual revenue generated by operating the resort, and an analysis of the potential earnings from running the restaurant and pizzeria."

"If you would like us to send you the complete analysis, please let us know if you are interested in learning more about the investment potential of the resort."

THE BUSINESS PLAN:

First-Floor Apartments: The first-floor houses fully-furnished apartments, poised for sale.

Accommodation: At capacity, the resort can host 114 guests. Detailed projections are available upon request.

Restaurant & Bar: Renowned for its Mediterranean offerings, it's also an ideal locale for events

Commercial Outlets: Rent or establish businesses like massage centers, eateries, boutiques, and more in the eight commercial spaces

Second-Floor Apartments: Either sell as-is or furnish these sea-view homes

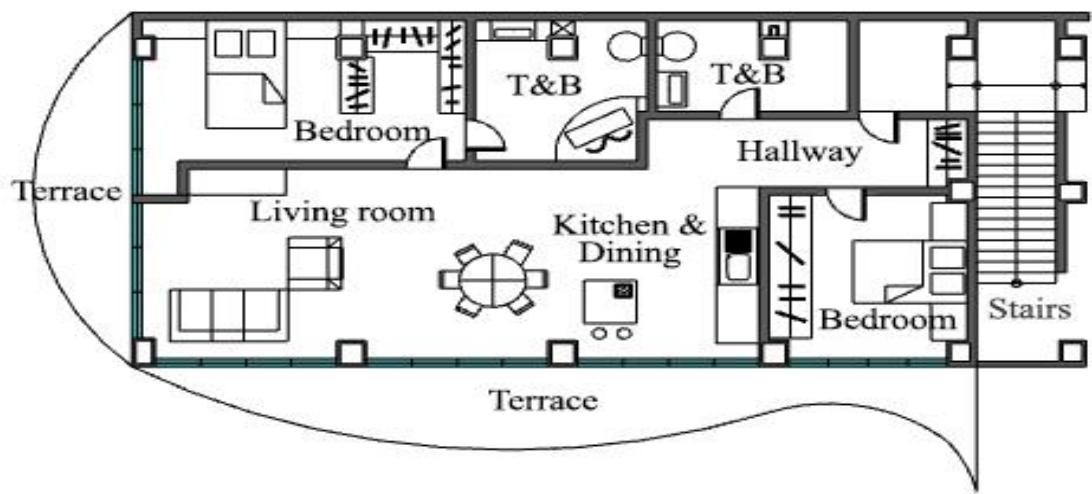

Digital Presence: Utilize our professionally designed website and gain assistance with online bookings through Agoda, Booking, and Airbnb
