This Beach Cliff property is in a peaceful green environment along the road. It has an area of 2,000 sq.m. and the price is 7,7M (3,850 per sq.m.). The land is flat and already developed by the owner, it is planted with fully grown coconut trees and quality wood lumber. It is the perfect location to build a resort or a beautiful house for somebody who wishes to have a quiet place near the sea. The new owner will enjoy from the porch of his house the most beautiful sunsets. Near the sea is a high cliff that has a spectacular view, and it is naturally deep, with great potential for deep-water activities. On the other side of the coast is Mangodlong Beach with a lot of beautiful resorts, with white sand beaches, swimming pools, and good restaurants.
