

San Francisco, Cebu, Philippines

Php 6,900,000

Price per m² :

Lot Area: 6,760 m²

This is a property for someone who has a lot of imagination, who is creative and wants to create a home or resort that is truly something special. Let this plot be yours to create something that will take your visitors or guests' breath away.

This property is not for someone who wants to go through life on the path of least resistance and who is afraid of every little challenge.

This 6,760 m² beach property offers an incredible opportunity for those seeking a private tropical retreat, resort development, or an investment property in a fast-growing tourist destination.

Prime Location: Strategically located in the serene landscape of Beach on Camotes Island, Cebu, Philippines, this property is a jewel nestled amidst the natural splendors of the region.
