

Esperanza, San Francisco, Cebu, Philippines

Php 11,000,000

Price per m² :

Lot Area: 2,638 m²

This lot is ideally located just a few meters from the main road, with a designated road right-of-way for convenient access. The property features a flat and rocky terrain with a scenic cliff overlooking the sea, and a natural tunnel that leads directly to the water. Lush with coconut and hardwood trees, it offers a serene environment perfect for building a private home or a beachside retreat. Utilities such as electricity and water are nearby, and the property is within walking distance to Esperanza village. The area is surrounded by white-sand beaches and is close to popular spots like Uncle Rock Dive Center, a Korean restaurant, and the beautiful Tulang Diot Island. San Francisco town and Consuelo Port are just 20 minutes away, making this a highly accessible yet peaceful coastal escape.
