Beds: 2 Bath: 1 Lot Area: 1,171 m² Floor area: 115m²

This two-story beach house sits on a 1,171 sqm lot with a 115 sqm floor area, offering direct main road access and stunning views of the sea, garden, and sunset.

On the ground floor, the house features two air-conditioned bedrooms, a shared toilet and bath, and an open layout that combines the living room, dining area, and kitchen. A terrace with an ocean view makes the perfect spot to relax throughout the day. Upstairs, a wide-open space with a balcony overlooking the sea and garden gives you the freedom to customize the area to your liking. The home is sold with sofa, dining table and chairs, and beds, so the new owner can move in right away.
