

Esperanza, San Francisco, Cebu, Philippines

Php 1,000,000

Price per m² : 1,666 m²

Lot Area: 600 m²

This 600-square-meter residential lot is located directly along the barangay concrete road, providing easy access all year round.

The property is generally flat and planted with coconut, mango, and other tropical trees, giving natural shade and greenery. The lot boundaries are clearly identifiable, and the road frontage makes it suitable for both private residential use or small rental development.

Electricity and water connections are available nearby, making it practical and ready for development.

One of the main advantages of this property is its proximity to the public white sand beach, which is only about 2 minutes away by motorcycle. Tulang Diot Island and Tulang Beach are also within easy reach.
