

Esperanza, San Francisco, Cebu, Philippines Php 3,000,000

Price per m² : 3,530 m² Lot Area: 850 m²

This 850-square-meter property is located within walking distance to a white sand beach. The land is flat and planted with banana trees and other tropical trees. It is situated within an established residential community and is accessible from the main road through an existing right of way.

The combination of usable land area, beach proximity, and residential surroundings makes this property practical for living or rental development.
