

Consuelo, San Francisco, Cebu, Philippines

Php 1,000,000

Price per m²: 2,268

Lot Area: 441 m²

This 441 sqm fenced lot is located along the main road connecting Consuelo Port to San Francisco town, making it an excellent location for a residential home or future investment property in Camotes Island.

The property is only a few minutes away from Consuelo Port and offers convenient access to daily essentials and transportation. Across the road are a private elementary school and a church, adding to the convenience and peaceful community atmosphere.

The lot is already surrounded by a concrete fence, providing added privacy and security. The terrain is flat and usable, making it ideal for building a house or developing a small rental property.

The neighborhood is quiet and peaceful, surrounded by beautiful palm trees and tropical greenery, offering a relaxing provincial lifestyle while still being accessible to nearby establishments.
